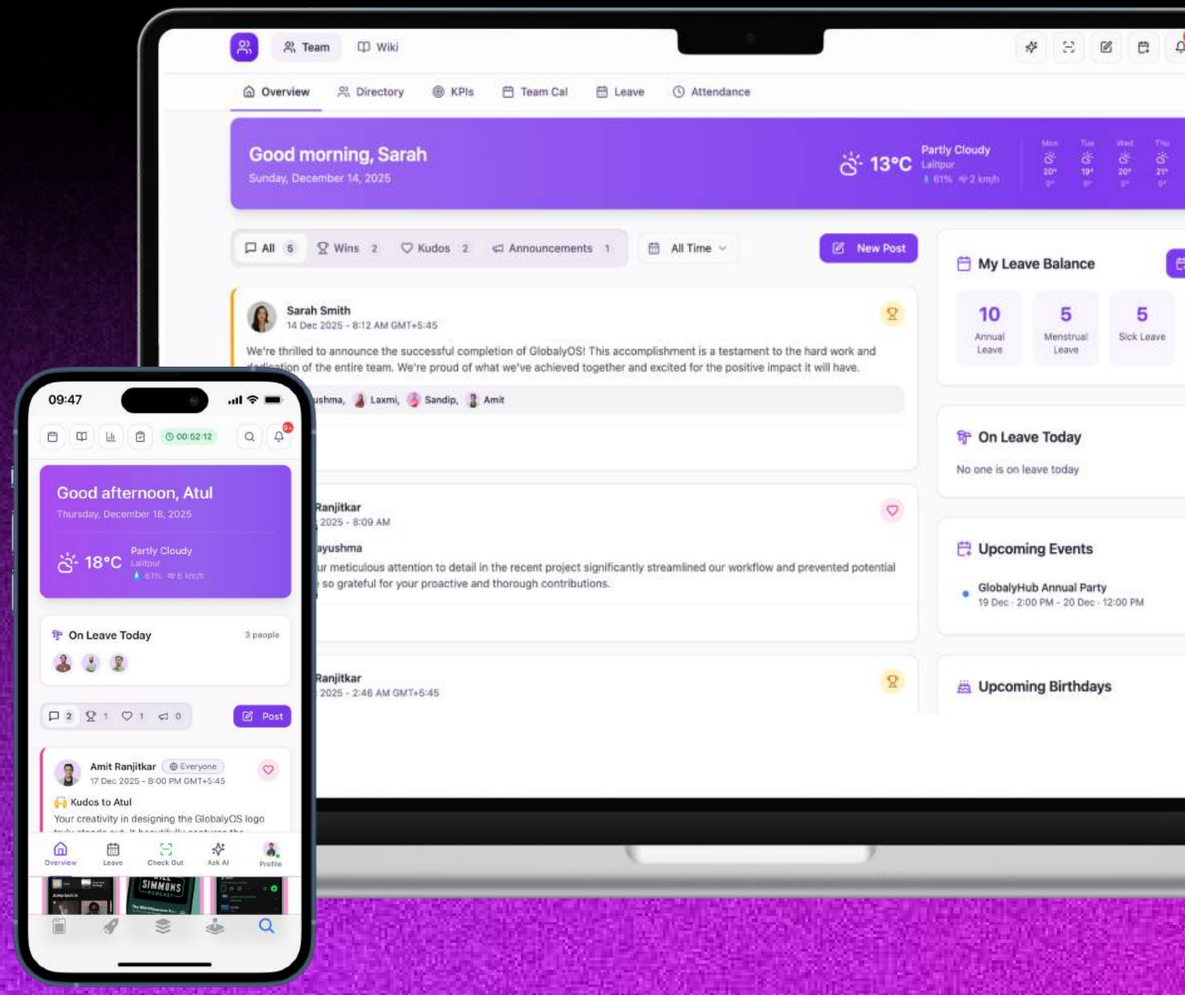
Meet **GlobalyOS**. Smart Operating System for Ambitious Teams

Stop juggling spreadsheets, scattered docs, and endless email threads. GlobalyOS brings HR, knowledge, and team collaboration into one beautiful platform.

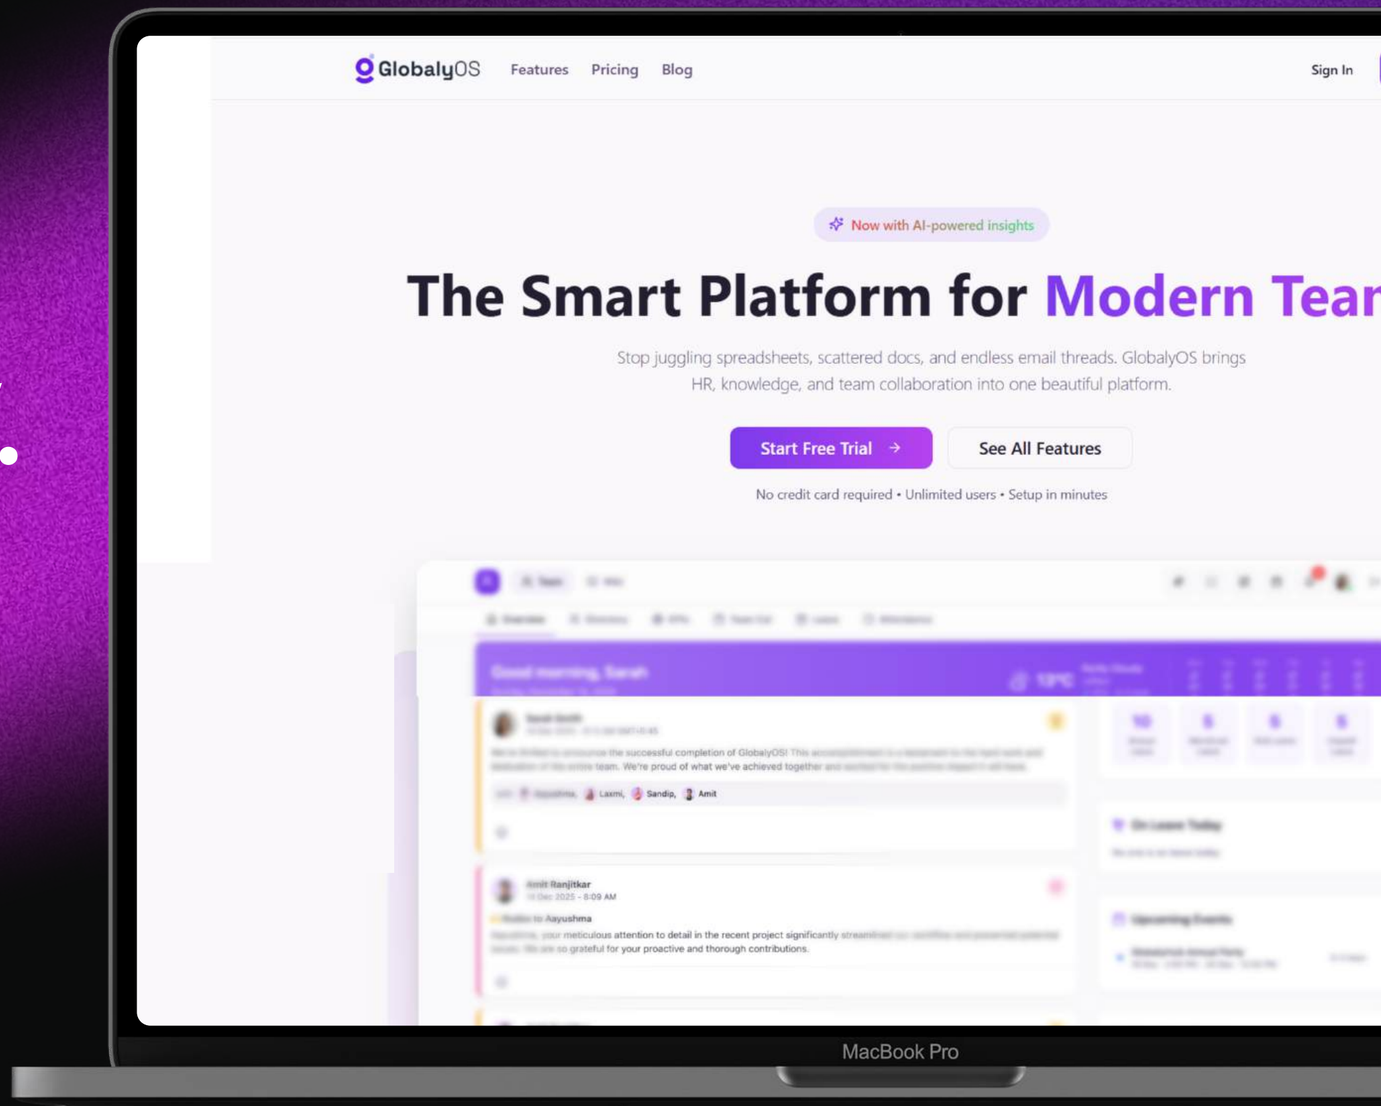


globalyos.com

SOLUTION

One platform. Complete clarity.

GlobalyOS brings everything together so you can focus on what matters to your people.

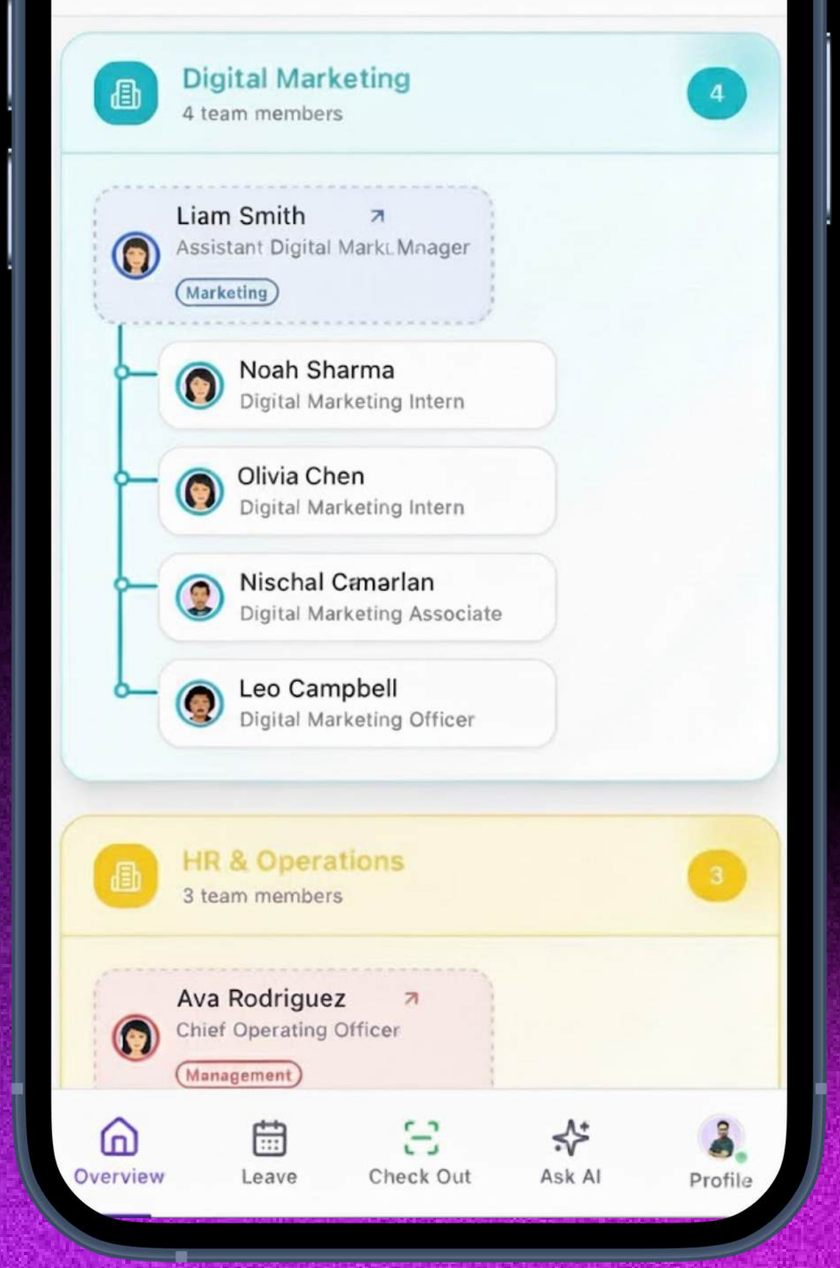


2025

People Management

Complete employee profiles, org charts, and team directory. Everything about your people in one place

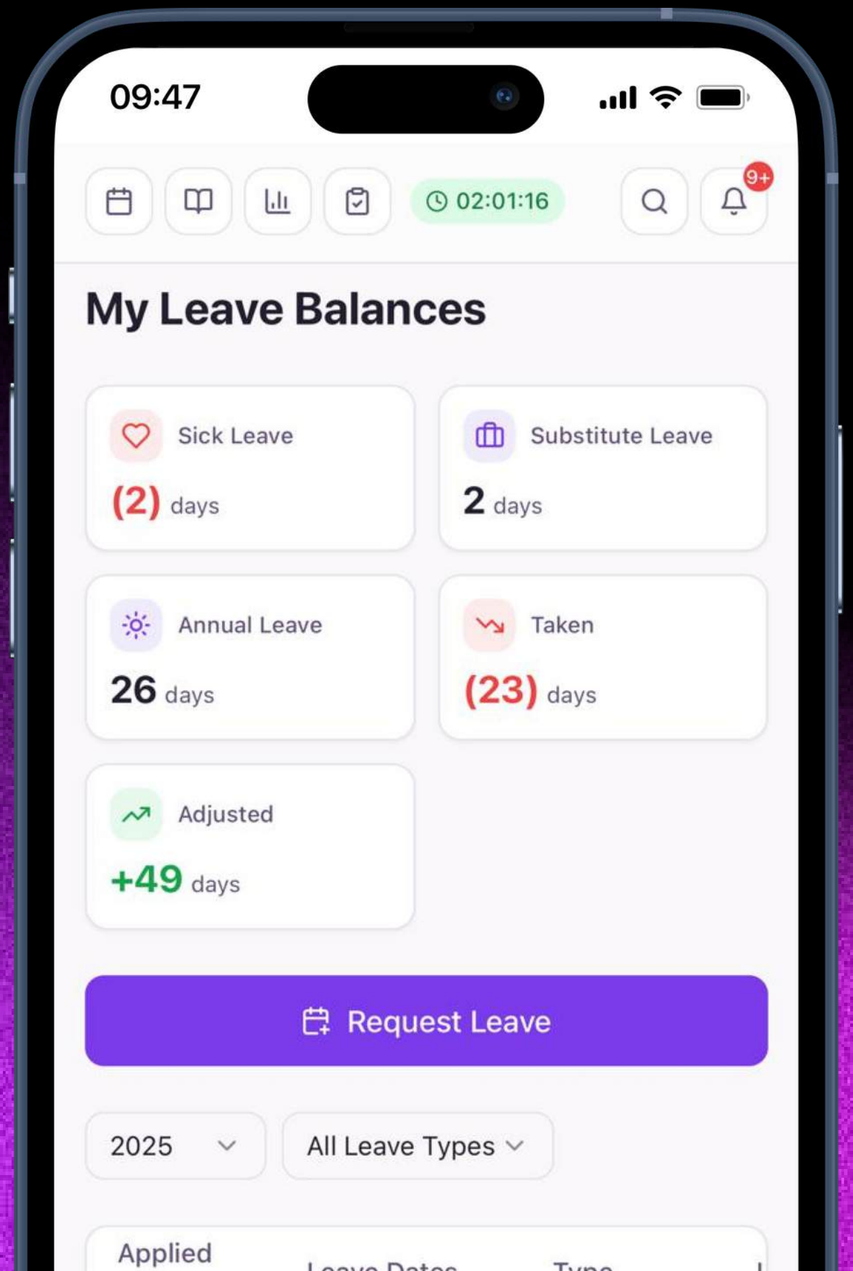
- **All people data in one place:** Centralized employee profiles, org charts, and team directories
- **Smart daily support:** Daily tracking, automated reminders, and habit-building features
- **Modern & social experience:** Web + mobile access with built-in peer support



Leave & Attendance

QR check-in, leave requests, balance tracking

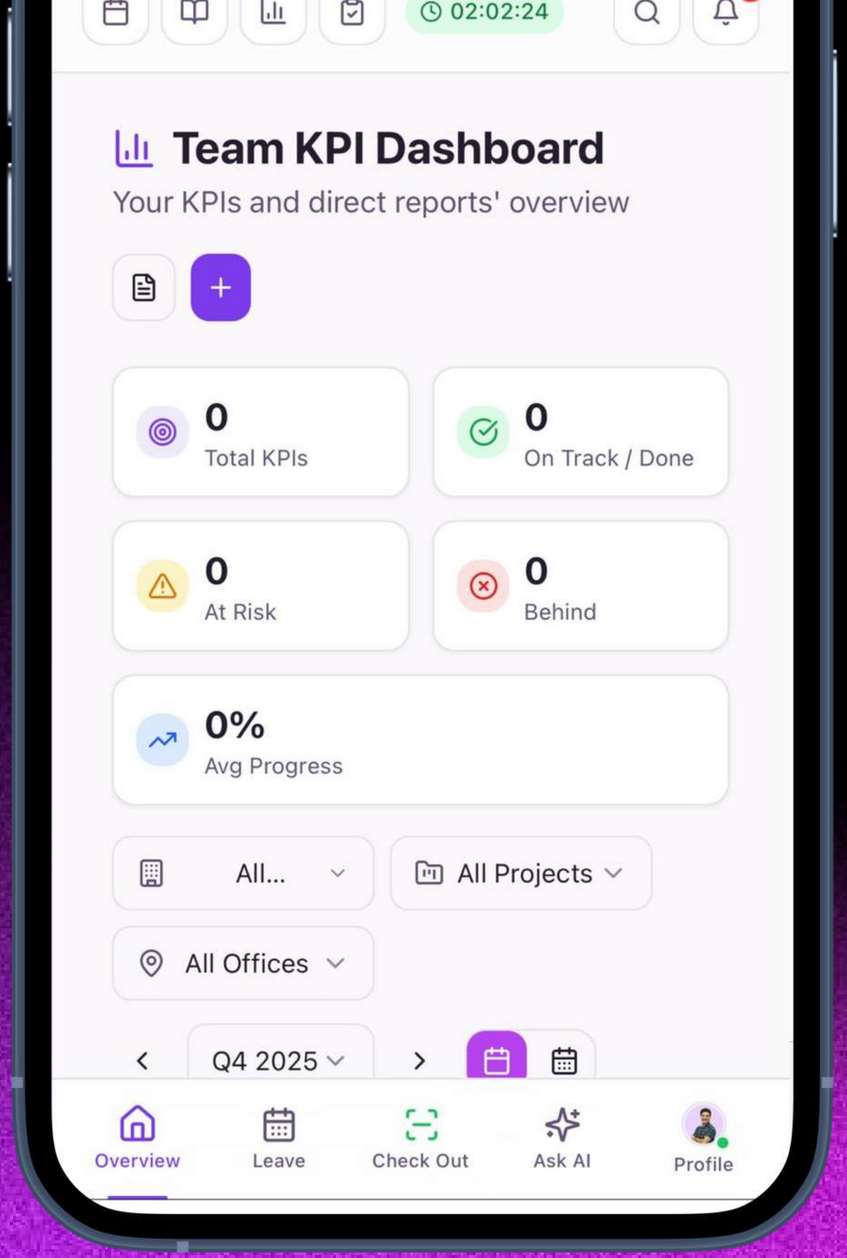
- **Leave & attendance made simple:** QR check-ins, leave requests, and real-time balance tracking
- **Clear visibility:** Employees can easily view sick, annual, substitute, taken, and adjusted leave balances
- **Fast, mobile-first experience:** Quick actions like “Request Leave” designed for everyday use on web and mobile



KPIs & Performance

Create KPIS and track its progress.

- **KPI tracking in one dashboard**: Clear overview of team KPIs, progress, and completion status
- **Real-time performance visibility:** Instantly see what's on track, at risk, or behind
- **Simple, actionable insights:** Mobile-friendly dashboards that help teams act faster and stay aligned



Acknowledge

Get the announcement and policies Acknowledged

- **Announcement:** Make every team member acknowledge the important announcements
- **Policies Acknowledgement:** Make every employee acknowledge policies to ensure policy awarness
- **Change & Update Acknowledgement:** Ensure employees acknowledge organizational changes for faster adoption.
